The Distinction between Humans and Nature: Human ...

person's beliefs and desires (Cronon 1995). Thus, if an individual desires a sense of connectedness with nature, he or she may have a more connected view of nature with humans than would an individual desiring isolation. Likewise, if an individual believes that being a steward of the land requires a

The Origins Final Examination of Consciousness

That such evolution is at least possible, ought not to be denied, for we daily see these faculties developing in every infant; and we may trace a perfect gradation from the mind of an utter idiot, lower than that of an animal low in the scale, to the mind of a Newton. 11 Consciousness in Brutes TH Huxley (1868) "The consciousness of brutes
